BE YOUR OWN MERCHANT SERVICES REP

Maximizing Profits by Reducing Business Expenses

Our goal is probably very different than that of your current credit card processing company.

We not only want to save you money by making you the sales representative on your account, we also want to create complete pricing transparency with rates, commissions and equipment pricing.

Every time that you accept a credit card from a customer, a sales representative gets paid a commission. In most cases this commission is 50% of "net fees". Why can't you BE YOUR OWN MERCHANT SERVICES REP and collect the commission? With Viking, the answer is: you can. You can BE YOUR OWN MERCHANT SERVICES REP and with this, you will realize the following list of benefits:

- 1. You Receive the Commissions. (Back to the business, to yourself personally, a spouse or even a family member)**
- 2. You Receive Complete Pricing Transparency.**
- 3. You Receive All Equipment At Cost. (That's right, COST. Eliminating the expense of leases and retail equipment purchases in the future.)**
- 4. You Will Process With The Largest Banks in the World**
- 5. You Receive Free 24 Hour Customer Service.**
- 6. All with No Reduction of Services and Benefits.**
- 7. Tell Future Solicitors that You Are Your Own Representative.**

By Utilizing years of industry expertise along with new industry alternatives, our professionals, strategic partners and support staff seek to provide our clientele with the utmost in service, cash flow and cost saving solutions.
